ABOUT US

Little Fingers India Pvt. Ltd. is a leading manufacturer of indoor and outdoor children's play equipment, fitness equipment, and toys.

Founded in 2006 as importers and traders, the company expanded into manufacturing in 2016, marking a significant milestone in our growth journey. With a strong commitment to quality, safety, and innovation, we design and manufacture products that promote physical activity, creativity, and holistic development for children.

Today, Little Fingers India Pvt. Ltd. has a Pan-India presence and also caters to international markets through exports. Our products are widely used in schools, parks, playgrounds, residential communities, fitness spaces, and institutional environments.

Driven by customer trust and industry experience, we continue to deliver durable, safe, and engaging play and fitness solutions that meet national and international standards.

Our Mission

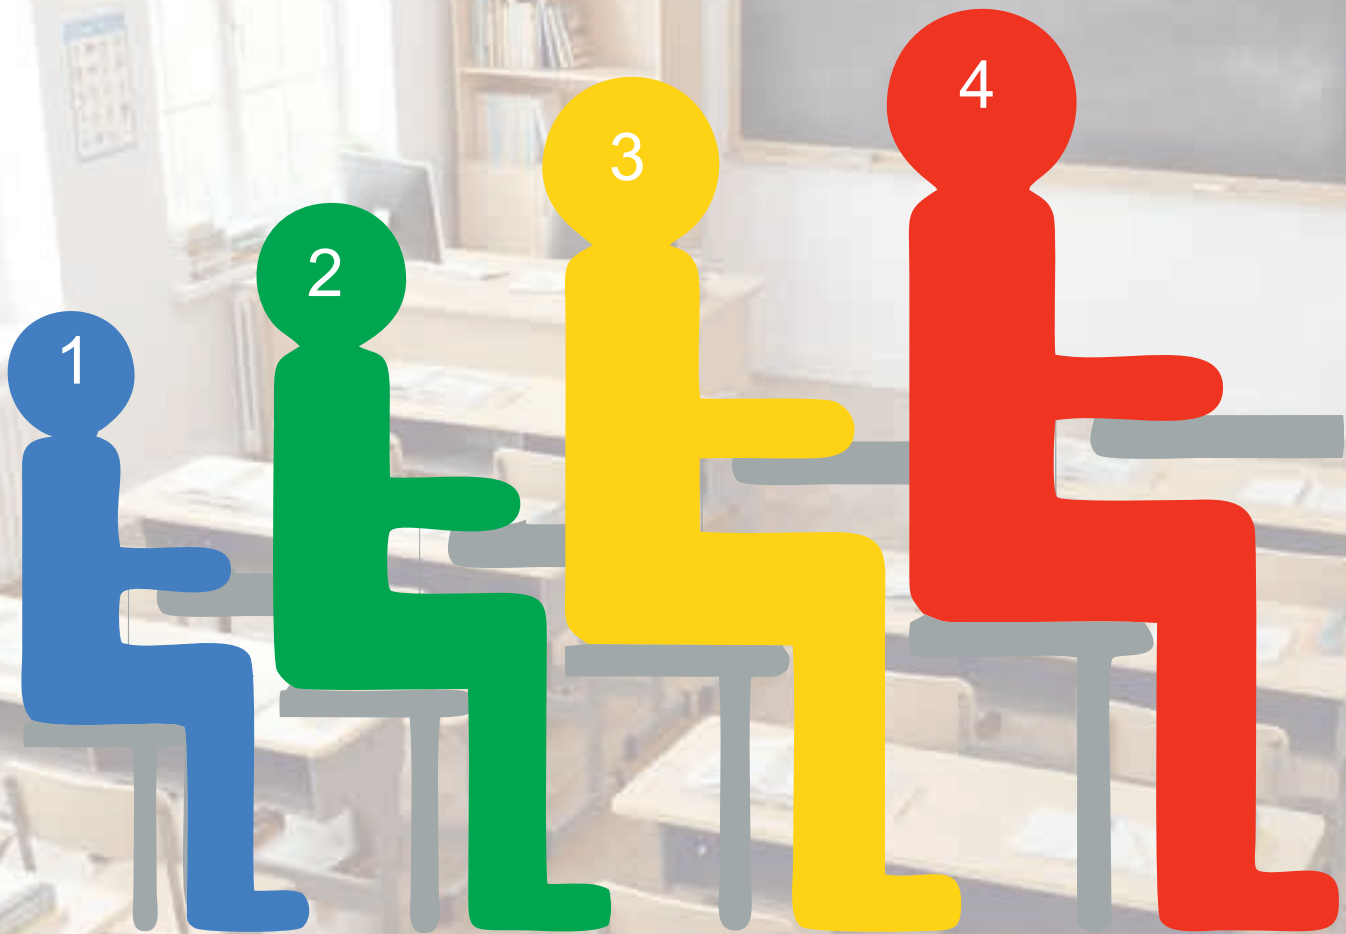

To design and manufacture safe, innovative, and durable play and fitness equipment that supports physical activity, creativity, and overall child development.

Our Vision

To become a globally recognized brand in children's play and fitness solutions by continuously improving quality, safety, and customer satisfaction.
